

Heckington St Andrew's CE Primary School 2017-18

Our focus is on the following four areas: **High Quality PE** **COMPETITION** **HEALTH** and **WELL-BEING** **COMMUNITY**

What is Sports Premium?

The Government announced additional funding of £150 million per annum to improve provision of physical education (PE) and sport in primary schools. This funding is provided jointly by the Departments for education, Health and Culture, Media and Sport. It is ring-fenced and therefore can only be spent on provision of PE and sport in schools.

Ofsted has strengthened its coverage of sport within the Inspectors' Handbook and supporting guidance, so that schools and inspectors are clear about how sport will be assessed in future as part of the overall provision offered by the school. Inspectors will consider:

"How well the school uses its Sports Premium to improve the quality and breadth of its PE and sporting provision, including increasing participation in PE and sport so that all pupils develop healthy lifestyles and reach the performance levels they are capable of"

Specifically the Ofsted guidance for Inspectors states that Inspectors should consider the impact of the new primary school sport funding on pupils' lifestyles and physical wellbeing.

How much does our school receive?

In 2017-18 each school will receive £16000 plus £10 per pupil. For this academic year our school expects to receive £17500

How is our PE and Sports Funding Grant spent?

The aim of the funding is to improve the quality and breadth of our PE and sporting provision and to meet these criteria we have identified a number of key priorities which include:

- Investing in continual professional development for our staff by engaging the services of a specialist coaching company so staff can observe good teaching practices in PE
- Increasing the competitive opportunities available to pupils
- Increasing the breadth of sporting opportunities available to pupils including across the curriculum

- Introducing additional after school sports clubs
- Increasing the opportunities for physical activity during breaktimes
- Providing specialist equipment where necessary and renewing and enhancing existing equipment

Areas of spending

Aim

Cost

Outcome

Impact

Areas of spending	Aim	Cost	Outcome	Impact
Investing in CPD for staff by engaging the services of a specialist coaching company Carres Grammar School Outreach PE action/development planning	Pupils to receive high quality PE and sports coaching observed by staff members. Staff to be trained by coaches to build up to delivering PE with coaches and independently	£4000 (Carres)	Staff confidence in delivering effective PE lessons improves. Quality of teaching improves. High quality leadership of PE and sport Clear action plans in place with monitoring, reporting and evaluation	
Joining competitive sports events	Increased opportunities for children to participate in a wide variety of sports training with other pupils in different school settings. Sports ambassadors appointed and trained as 'coaches' to lead clubs for younger pupils and organise charity afternoon.	£1000	Gold School Sportsmark award achieved in partnership with Lincs School Sports. All pupils have had opportunity to take part in at least one competitive event	
Sports provision after school	To provide a breadth of opportunities for pupils to take part in sport after school, e.g. skipping, Tae Kwon Do,	£1500	Our pupils will have had the opportunity to participate in sports out of school with at least 70% attending at least one club	

Outreach events	Create positive sporting experiences for targeted pupils – PGL.	£1000	Targeted pupils have positive experiences for adventurous and outdoor activities	
Providing specialist equipment where necessary and enhancing existing equipment Enhancing physical activity opportunities at breaktimes	Sports lead to undertake inventory and inspection of existing equipment and compile list of new equipment. Resource equipment and train staff in correct use including lunchtime staff. Training for Sports Lead Time with staff to disseminate training	£4000 + £1100 staff training £2500	Staff will have a better knowledge of the equipment that school owns and be able to provide further opportunities to their pupils with the new equipment. Pupils will have taken part in a wider range of sporting and physical activities including during breaktimes 30 active minutes achieved	
Enhancing teaching of swimming to provide additional sessions and activities above national curriculum	Additional sessions for less confident/non-swimmers and for very able swimmers	£1000	Non-swimmers have increased confidence and take part in wider range of swimming activities	
Support physical activity throughout the whole curriculum	Introduce Active Maths / Maths of the day to give opportunities for physical activity within maths lessons	£750	Pupils in all year groups access physical activity during maths at least once per week	
Total anticipated spend		£16850
