

Heckington St Andrew's C of E Primary School Newsletter

Dear Parents,

December is quickly moving on and we had the pleasure of magical performances of The Special Gift Nativity by Reception and Key Stage One children. I wrote the play for the children this year and it was fantastic to see it come alive. The children and staff worked extremely hard to put on such a wonderful performance. Last year at the Nativity I mentioned that we would like to have a sound system that meant the stage had microphones so we could hear the younger children more easily. Thanks to your donations at the performances and through the PTFA organised fundraising we have been able to have a system installed and this added to the performance. I would particularly like to thank Mr Baldock and Mr and Mrs Giles for their actions in making sure we had a good sound system and installing it so quickly for our performances. Year 3/4 had their end of learning exhibition this week and next week will be the turn of other year groups so I hope you can attend. We have the Cinema visit today and a busy day on Friday and Monday with our visits to the church and chapel, Christmas Lunch and our Christmas Fair. Monday will be our last whole school Christmas event and you are all invited to our Carol Service and celebration worship in St Andrew's Church. I look forward to seeing you all at our remaining events and thank you in advance for your support.

Upcoming dates for your diary

16th Dec—Christmas Lunch
and PTFA Christmas Fair

19th Dec—Christmas Carol
Service in Church

20th Dec—Last Day of
Term

4th Jan—First Day of
