

# Heckington St Andrew's Church of England Primary School Newsletter

Dear Parents,

It is with sadness that I find myself writing my last newsletter of the autumn term which has flown by!

I have so enjoyed working with such great children and following their many achievements, including their superb sportsmanship at competitive events, their enthusiasm at exhibitions of work and their care for others demonstrated through charity and community events.

It has been my privilege to work with such a dedicated team of staff who are so committed to providing the best for the children at St. Andrew's.

I would like to wish Mrs Bentley, staff, children, governors and families every success as the school moves forwards into a new phase of development, and I look forward to hearing about all the wonderful things happening at the school and in the village over the coming terms.

I wish everyone at St. Andrew's a joyful Christmas and a very happy New Year
