

# Heckington St Andrew's C of E Primary School Newsletter

Dear Parents,

The sun is shining again and we have been busy enjoying it! The Eco Ambassadors have visited a sustainable waste facility as their last part of preparation for the Lincolnshire Show next week. The dulcet tones of Year 5 and 6 can be heard singing in preparation for their production in July so we are entertained on a daily basis as we walk around the school. Three children from Y6 have joined with children from each of our 8 cluster schools to form a Cluster school choir. They will be performing at the Forces Day Service in Sleaford on Monday morning.

A further reminder that all communication with staff should come through the 'enquiries' email address and **not** to their personal school email please. Parents are asked to only go to the place they have signed in to go to and not visit other classrooms/ playground unless previously agreed with a teacher. Thank you.
