

Heckington St Andrew's C of E Primary School Newsletter

Dear Parents,

I would like to thank the children who attended the Remembrance Service with me on Sunday. There were 24 children from Key Stage 2 who read their hand written poems or remembrance poems as part of the service. The congregation and members of the community have mentioned to me how moved they were by the poems and how well the children represented our school. This is a proud moment for me as Head teacher and a proud moment for our school. Thank you.

Other community news is that Flooring by Henton have made very generous donations to our school of carpeting to use as mats and doormats to keep those muddy footprints away. We are very grateful for their generosity.

On a couple of occasions this week the barrier has been down on the social clubs car park, meaning you were unable to park in the morning. We have investigated this and now have our own key so that we can ensure it is open each morning.
