

Heckington St Andrew's C of E Primary School Newsletter

Dear Parents,

A wet, but exciting week at school. Y6 are on their residential and after a wet start the sun has come out and they are having lots of fun! After half term we will be starting our Walking bus again on Monday 12th June. Children who want to take part in the walking bus should meet at The Green and will be picked up by staff at 8.25 to walk to school for toast and our 8.40 start. As always, each week we will tally the number of children from each year group to see who has won the trophy for that week. We usually have a good number of children but let's see if we can beat our current record of 30 children! The grounds morning went ahead as planned and a good amount of work was done by the staff that came but not as much as we would have liked as disappointingly, no parents came to help.
