

Heckington St Andrew's C of E Primary School Newsletter

Dear Parents,

I hope you had a lovely Easter break and welcome back to term 5. The children's new projects have begun and they are very excited about their learning for the term. Reception class are learning about *What's happening in Heckington and what is super about Skegness?* They visited our famous windmill on Wednesday and had a wonderful time finding out about how flour is made. Thank you to the Windmill for a fabulous morning! Year 1 and 2 are answering the question *What can we learn from Alice's Wonderland and our wonderful land?* They have been exploring the story of Alice and what plants and creatures she has found. Year 3 and 4 are answering the question *Who were the Vikings?* They have had an archaeologist visit and help them to find out about evidence we have of the Vikings. Thank you Ian, from Heritage Lincolnshire, for helping us. Year 5 and 6 will be exploring the question *How Did Britain Withstand World War Two?* Finding out about what happened in Germany leading to WW2 has been the focus this week; stepping into a young German and English child's shoes before the war broke out.

We will have an open morning again this term for you to join in with our new learning projects so keep an eye out for the date on next week's newsletter.
