

# Heckington St Andrew's Church of England Primary School Newsletter

Dear Parents,

We were very proud of our Year One and Year Two children this week as they presented their terms work in their exhibition.

Our Sports teams have been working extremely hard this term and we were very excited to qualify for the Under 11's area finals this week. Our Y5/Y6 athletics team also showed excellent sportsmanship during the tournament held at Carre's Grammar School last week.

A big thank you to all the parents that are enabling our sports teams to compete by volunteering to transport our competitors to events—we couldn't do it without you!

Residents, businesses and partner organisation across the District are being invited to take part in the consultation on the NK Plan, which will set out North Kesteven District Council's priorities for 2018-21. There are questions on what issues are most important to residents, which areas need the most improvement and how the Council performs overall.

There is also the chance to have a say on a new priority focusing on Our Environment.

Anyone completing the survey can opt into a prize draw. There are three prizes of £100 of vouchers for residents, one prize of £100 in vouchers for a young person aged between 16 and 24, and £100 of vouchers for sports equipment for one school, in support of the Council's Sports and Physical Activity Strategy.

The results of the consultation will inform the final proposals for the NK Plan which will be put to Full Council in February 2018.

Anyone over the age of 16 can take part in the consultation, which can be found online at [www.n-kesteven.gov.uk/TellUs2017](http://www.n-kesteven.gov.uk/TellUs2017)
