

Heckington St Andrew's C of E Primary School Newsletter

Dear Parents

The children have been working hard this week and even though it is cold we have grabbed the opportunity to be outside. It was lovely seeing the Reception children giggling while they melted the ice in their water tray with the hose pipe and soaked me in the process! Key Stage 2 were outside for their adventure day today with maps and compasses and puzzles to solve learning the skills of orienteering. We are particularly proud of the example set by our Year 3 and 4 children walking their 1k per day. The Sleaford Standard are reporting on this so keep an eye out for us.

I look forward to welcoming our friends from St Andrew's to help each child make their Christingle on Monday and share with you their Christingle Service in the afternoon. The children will return to school for collection after the service.
