

Heckington St Andrew's C of E Primary School Newsletter

Dear Parents,

It was lovely to see you all at our open morning this morning. Thank you also for your contributions to our Harvest Festival. We are very grateful for all the support from parents and the community in the last few weeks with learning to dance with Dance Fusion and learning to knit with friends from the community and parents. Having you all working with our children is a wonderful opportunity and we thank you for your time.

We have been reviewing our certificate reward system and will be making a slight change in order for the children to receive more immediate rewards. The children have a reward card and can receive stamps/stickers each day for this. Certificates will still be given each week and these also count to a reward card 'spot'. After 8 reward stamps have been given children will receive their bronze award etc. They will not have to wait for a certificate on a Friday to be rewarded and will not have to wait for 3 certificates to receive their badge. You will continue to be invited in to see your child receive their Bronze etc certificates and badge. Please speak to the class teacher if you want any more details.

There have been reports on Facebook of a white car acting irresponsibly in Sleaford. We believe this to have occurred in the evening and it has not been linked to schools at all. We have received no alert from the police about this or from other schools but please be vigilant.

Scholastic Book Clubs—See attached booklet. Please return any orders by half term, cheques made payable to Scholastic Limited

Please do not let your child ride their scooter or bike in the playground. There have been a couple of accidents with younger children and adults ankles!
