

Heckington St Andrew's Church of England Primary School Newsletter

18th October 2018

Dear Parents and Carers,

Thank you to all staff and children for a fantastic first term at St. Andrew's and a very special well done to our children in Oak Class. The children have done some excellent learning this term and have produced some work they can be very proud of!

You will have seen on the date's sheet that we are intended to hold a maths stay and learn session for all parents on 13th and 15th November between 9.00 and 10.30. Hopefully you will all be able to come to one of the sessions. We have introduced a new math's scheme from Year 1 to Year 5 called Maths no Problem and we would like you, as parents, to have an understanding of the scheme and why we are using it. Our Math's Lead, Miss Coggins, will do a presentation in the hall so you have an understanding of the scheme and then you will have opportunity to go into your child's class to see it in action.

Finally, I hope you all have a lovely half term break and we look forward to seeing you back in school on **Tuesday 30th October.**

Yours sincerely
Mrs J Bentley
