24th January 2019

Please take care and walk safe this Winter

As you will have all seen this week, the weather conditions have become increasingly colder. This means that the road conditions and footpaths can be hazardous and we ask you all to take extra care and precautions when traveling. Try to ensure you are wearing appropriate footwear and allow extra time for journeys.

We have a supply of grit at the school and will ensure that the playground and footpath to the playground are gritted to minimise the risk of injury. We do ask that children who are on school premises are supervised at all times to reduce any accidents which may occur due to the icy conditions.

Well done to Rowan Class who reached 100% attendance last week!

Clubs

There are still places on the School Clubs please contact the School Office if you would like a space.

Music Payments

Please can you make sure payments are sent to the School Office for Music Lessons and Colourstrings by 31st January.
Thank you
