

Willow Class

Autumn Term 1

Muck, Mess and Mixtures

We're warning you; this is going to get messy!

This half term, we'll have a messy afternoon to investigate mixtures, from mouthwash and shaving foam to flour and bubble bath. We'll enjoy the story of George's Marvellous Medicine as our class novel.

We'll use our science skills to explore everyday materials, investigate soap products and understand why mixtures freeze and melt. We'll learn how to measure using scales, measuring jugs and cylinders accurately. We'll taste a wide variety of foods, learn about healthy eating and follow recipes to make some yummy treats.

Our artwork will also rely on our mixing skills. We'll use marbling inks to make unusual patterns, create food landscapes inspired by Carl Warner, paint with ice cubes, model clay into exciting shapes and use a variety of materials to make mixed media collages. At the end of our project, we'll invite you in to our assembly where we will share all of our fun learning with you.

Science	Everyday materials
Art and Design	Printing, food landscapes, mixed media pictures and collages, colour mixing, using clay
Design and Technology	Food tasting, origins of food, healthy meals, following recipes,
PSHE	Safety around medicines and household products
PE	Multi skills and gymnastics
RE	Islam - being Human
