1. Introduction

It is our policy that all children are to wear school uniform when attending school, or when participating in a school-organised event, unless instructed by the School to do otherwise. We provide a complete list of the items needed for school uniform in our school prospectus.

2. Aims and objectives

Our policy is based on the belief that a school uniform:

- Promotes a sense of pride in the school.
- Engenders a feeling of community and belonging.
- Is practical and smart.
- Identifies the children with the school.
- Is not distracting in class.
- Makes the children feel equal to their peers in terms of appearance.
- Is regarded as suitable and good value for money.
- Has been designed with health and safety in mind.

3. Description of Uniform

Winter uniform consists of:

- Bottle green sweatshirt or cardigan with school logo.
- Bottle green polo shirt.
- Grey skirt or grey trousers. Jeans, Leggings or tracksuit trousers are not to be worn.

5. Jewellery and Makeup

For health and safety reasons children are not permitted to wear jewellery other than a single pair of plain stud earrings. During PE or swimming ear rings are to be covered by the children with a plaster or removed by the child. A simple watch may also be worn, smart watches are not permitted.

Children are not permitted to wear makeup of any kind including nail polish except at school social functions e.g. Discos.

6. Hair

Hair must be the child's natural colour. Long hair must be tied back, for safety and hygiene purposes, with a plain hair bobble or dark band. Extreme hairstyles are not permitted. Hair ornaments of any type are not permitted. Use of hair products is also not permitted.

7. Electrical Devices and Personal possessions

Children are not to have personal electrical devices of any type including mobile phones and tablets on school premises or on school trips. Children are also not permitted to bring to school any toys for example fidget spinners. Any devices found during school will be removed and stored in the school office until the end of the school day.

8. The role of parents

We require all parents or guardians of students at our school to support the school uniform policy. We believe that parents have a responsibility to send their children to school correctly dressed and ready for their daily schoolwork. Parents should ensure that their child has the correct uniform, and that it is clean and in good repair. Parents are requested to routinely check their child's hair for the presence of head lice and to treat promptly if they are found.

If any parent would like to discuss the school uniform policy, they should make representation, in the first instance, to the Head Teacher. Changes to uniform for medical or religious reasons should be requested in writing to the Head Teacher. Should an item of school uniform prove problematic for a parent or guardian to provide please discuss the issue with the Head teacher and short term exemptions may be permitted if requested in writing to the Head Teacher. Children failing to adhere to school uniform policy will be required to rectify their appearance.

9. The role of Governors

The Governing Board delegates the implementation of the school uniform policy to the Head Teacher and requires all school staff to ensure that all children adhere to it. It considers all representations from parents regarding this policy and liaises with the Head Teacher to ensure that the policy is implemented fairly and with sensitivity. It requires the Head Teacher to report on the implementation of the policy and will support the Head Teacher in any appropriate action required in the event of a child's repeated failure to adhere to the policy.

It is the Governors' responsibility to ensure that the school uniform meets all national regulations concerning equal opportunities, and that our school uniform policy is consistent with our policy on equal opportunities. Governors ensure that the school uniform policy helps children to dress sensibly, in clothing that is hardwearing, safe and practical.
