

Heckington St Andrew's Church of England Primary School Newsletter

20th May 2021

Dear Parents and Carers,

We would very much like to facilitate swimming in the lovely outdoor pool next door after half term, however, we are still in the process of seeing if this is at all possible. If we get the go ahead, we will only be able to offer lessons if we can source a swimming teacher, as our usual teacher is no longer available. If anyone knows of a swimming teacher who would be interested in delivering our lessons, please let us know via the school office. I will hopefully be able to provide you with more information regarding swimming lessons next week.

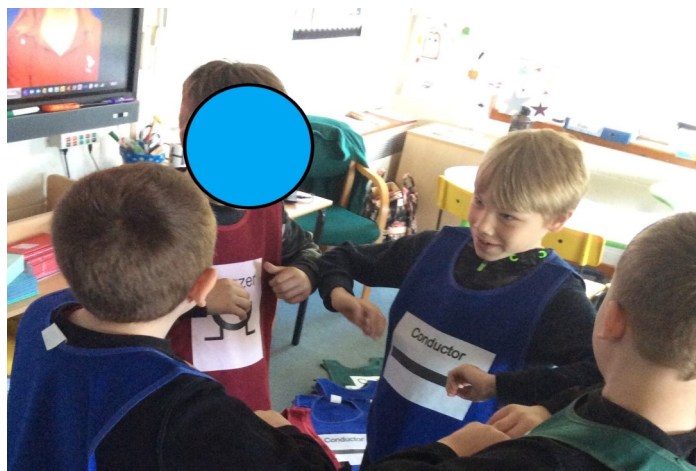

Just a reminder that it is class photos on Tuesday, looking forward to seeing those smiles!

Yours sincerely

Mrs J Bentley
Headteacher

Viking Link workshop

Roman and Silver Birch classes learning about the electrical project in sending energy from our Lincolnshire wind farms, under the North Sea to Denmark.

Dates for your diary
