

# HECKINGTON ST. ANDREW'S C OF E PRIMARY SCHOOL NEWSLETTER

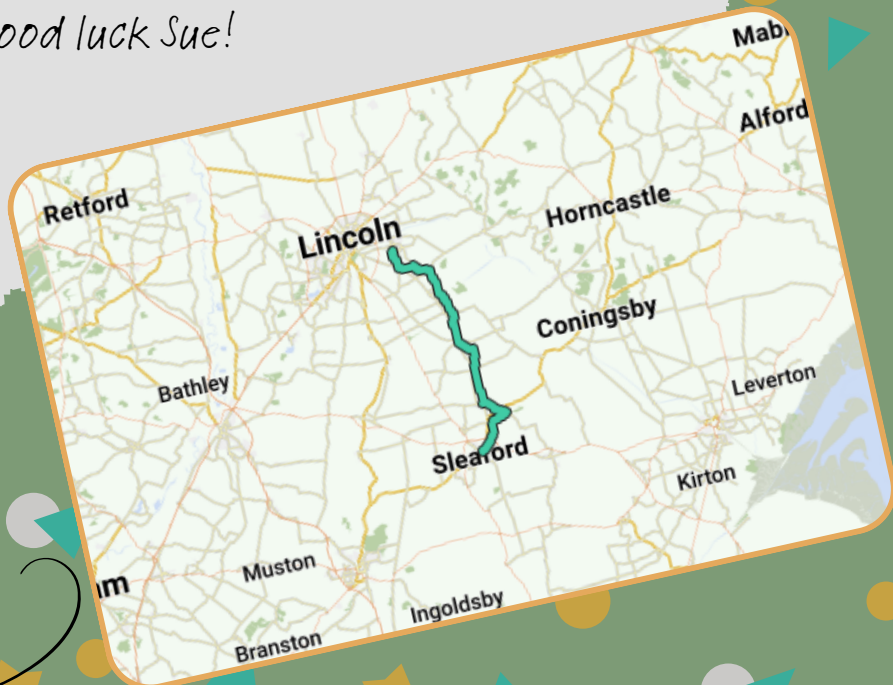

18th January 2024

Dear Parents and Carers,

Sue Lewin, a member of our wonderful PTFA, is taking on the amazing Spires and Steeples challenge on 20th April to raise money for the PTFA. If you are able to sponsor Sue for this 27 mile challenge, please contact the PTFA directly [ptfa@heckington.lincs.sch.uk](mailto:ptfa@heckington.lincs.sch.uk) or call in to the school office for a sponsor form. Good luck Sue!

Yours sincerely

Mrs J Bentley

# Rowan class created 3D models of rivers to help them with their poetry writing in English.

Last week Year 6 had a workshop with 'Leaf' which ties in perfectly with our Geography unit on Renewable and Non-renewable energy. We learned about Solar panels as a renewable energy source and looked at how they are beneficial. We had a presentation, completed a work book and built circuits with batteries to power a bulb, buzzer and motor. We then tried this with our very own tiny solar panels. Unfortunately, it was a cloudy day, therefore, we did not create enough power to make anything work. We are going to have another try this week, fingers crossed for sunny weather! We will also be having a virtual tour around a solar farm. We are very excited for this week!
