Following on from the successful coaching that the girls received last year as part of the "her game too" Women's World Cup celebration, we are looking forward to the boys football coaching session next Tuesday morning. Please remember that they will need to wear their PE kit and outdoor trainers.

We are pleased that the boys will be able to access the same level of coaching as the girls received last year.

The girls will be receiving further football coaching later in the year so watch this space!
