WORLD
BOOK
DAY

British Science Week is 8th -17th March.
Whole School Poster Competition - Theme: Time

Children could create a poster showing how a certain type of technology has changed over time, or even the advancement of time-telling technology itself. They could also go futuristic, show us how they think the world might look in years to come, or perhaps look at nature – lifecycles, lifespans, evolution and hibernation – nature is full of timely topics. Posters need to be A4 and will be judged on creativity, how well they fit the theme, how well they have been made or drawn, and how engaging they are. Please bring your finished poster to school by 17th March. We can't wait to see what you do!
