How to order school uniform.

We recommend two uniform suppliers for our school uniform. Both of our suppliers provide a "Parent Online" ordering method.

Here are the links to both companies:

www.kidsandcodirect.co.uk (click on Find your school, then on our windmill logo)

This is our existing uniform company and items can be ordered online and delivered to your home address for £2.95 per order (not per item).

Sizes are pretty good, although, T shirts, Fleeces and Storm jackets have in the past come up on the large side.

www.nationwideschooluniforms.co.uk

These are our newest supplier and items can be ordered online by typing in the school's name into the search bar. They deliver to your door for £4.50 or FREE once a month to school (usually towards the end of the month for deliveries) Orders can be collected from the school office.
