

Heckington St Andrew's Church of England Primary School Newsletter

17th March 2022

Thank you!

Heckington St. Andrew's supported a Day for Ukraine yesterday.

We have been totally overwhelmed and moved at your generosity.

Boxes and boxes of essential items have been sorted, labelled and dispatched on their journey to help those in need.

Thank you also to the children that decorated their faces and hair and dressed in blue and yellow. It was wonderful to see!

Diary Dates

- w/c 21.03.22 Mother's Day Pop-up shop
- 30.03.22 PTFA Easter Egg Hunt
- 30.03.22 Hands on Science Day Y1-Y5
- 31.03.22 Last day of term
- 20.04.22 First day of term

Science

This week in Science, Chestnut class made their own compasses by magnetising a paperclip with a bar magnet. They then placed this onto a floating leaf and were amazed to see the compass float around, to face magnetic north. We learned how the Earth is a giant magnet and how compasses always point to north due to this. We then had lots of fun testing this outside with actual compasses. We learned where north, south, east and west are in our playground.
