

HECKINGTON ST. ANDREW'S C OF E PRIMARY SCHOOL NEWSLETTER

29th June 2023

Dear Parents and Carers,

I have been asked by the Parish Council to remind you not to park on the passing area on the way to the Pavilion, where there is plenty of parking for your use. This is causing a blockage as when cars are parked there, it cannot be used as a passing place. Additionally, there is an essential drain beneath this area and constant weight on it could cause damage; this is one of the reasons why it was made into a passing place. Thank you for your assistance with this.

Yours sincerely
Mrs J Bentley
Head Teacher

SWIMMING NOTICE

Next week, our swimming teacher would like to include some survival skills in the lessons with all of the children. The rates of drowning are scarily high and a lesson where they learn what to do and what it feels like with clothes on is a vital life saving skill. Could you therefore please send your child in with either their pyjamas or shorts and T-shirt.
