Well done

Dear Parents and Carers,

As we approach the conclusion of another productive term, I am pleased to share with you some notable events and achievements from our school community, as well as important information for the coming weeks.

Our Year 6 pupils recently returned from their residential trip to Hilltop, and I am delighted to report that it was a resounding success. The week-long excursion was blessed with favourable weather conditions, allowing our pupils to fully engage in all planned activities. More importantly, I am immensely proud of how our Year 6 cohort conducted themselves throughout their stay. Their behaviour was exemplary, and they represented Heckington St. Andrew's C of E Primary School with distinction. Such experiences are invaluable in fostering independence, resilience, and teamwork among our pupils.

I am also thrilled to announce a significant achievement by our sports leaders. Their participation in the 'Pitch to Play' competition has yielded impressive results. The team's meticulously crafted pitch not only showcased their creativity and persuasive skills but also secured a £200 prize for our school. This accomplishment is a testament to the dedication and talent of our pupils, and the funds will undoubtedly be put to good use in enhancing our sports provision.

Our recent RE and Science exhibition was a lovely opportunity for parents and carers to engage with their children's learning journey. Thank you to everyone who attended this event. We hope that the exhibition provided you with valuable insights into the curriculum and your child's development in these key subject areas.

Looking ahead, I would like to invite you to join us for our Easter service, which will take place on Thursday, 3rd April, at 9.30 a.m. in St. Andrew's Church. This special service will be led by our pupils from Years 3, 4, and 5. It promises to be a meaningful celebration of the Easter season, and these events are integral to nurturing our school's sense of community and shared values.

Yours sincerely
Mrs Judith Bentley
Head teacher
