

HECKINGTON ST. ANDREW'S C OF E PRIMARY SCHOOL NEWSLETTER

30th January 2025

Dear Parents and Carers,

As we approach the end of term, our calendar is very busy with a range of activities. Please ensure that you review the upcoming diary dates to ensure you're well-informed of our school events.

Furthermore, can I please remind those who haven't yet done so to book your Parents' Evening appointments. This valuable opportunity allows you to discuss your child's progress in detail with their class teacher.

This term Hazel Class have been creating some great pieces of art work. We have worked on a unit called Making my voice heard. This focuses on developing skills in using different art styles, exploring effects with tools, understanding and applying chiaroscuro, and creating symbolic and expressive drawings. It encourages children to form their own opinions about art, understand the impact of techniques, and convey messages through their artwork.

This unit really encourages the children to consider their audience and impact to create powerful drawings to make their voices heard.
