

# HECKINGTON ST. ANDREW'S C OF E PRIMARY SCHOOL NEWSLETTER

13th March 2025

Dear Parents and Carers,

Our pupils have been enthusiastically participating in cricket sessions led by an external coach. These sessions not only enhance their physical skills but also foster teamwork and sportsmanship. There are still spaces available to join a KS2 cricket club after school on a Thursday, if you wish to book, please use this link; <https://heckingtonstrewscofe.schoolcloud.co.uk/>

I must address an important issue regarding the safety of our school community. We have observed concerning parking practices during drop-off and pick-up times, specifically the use of zig-zag lines outside the school. Can I please ask that all parents and carers refrain from parking in these designated areas, as they are crucial for maintaining clear sightlines and ensuring the safety of our pupils.

Furthermore, I kindly request that everyone ensures that they are aware of the increased traffic and pedestrian activity around our school premises during these peak times. Our collective vigilance is paramount in preventing potential accidents and safeguarding our children. Thank you for your co-operation in this matter.

Yours sincerely,

Mrs Judith Bentley  
Head teacher

After school club enjoying their new resources bought by their own fundraising

# WORLD BOOK DAY

What a wonderful World Book Day had by all!

The children had a great day sharing book recommendations through their art work and enjoyed lots of stories.

Thank you for celebrating a brilliant day with us; it was a delight to see the fantastic costumes and we really appreciate your donations to the fundraising team, through buying Bentley Bars.

We hope that you enjoyed the hunt for golden tickets as much as we did!
